

“HOWL-O-Ween” at the Hays Nature Preserve

Saturday October 31, Guided Hikes on the ½ Hour 6– 8:30 p.m.
Monster bonfire with marshmallows and ghouls at 9:15 p.m

This is a great event for kids and families. It is guaranteed to be scarier than any old haunted house, because there is nothing scarier than your own imagination. We have all sorts of creepy things happening in the woods just out of sight, but not out of *mind*.

Donations are accepted for this event and will go to trail improvements. Children under 15 must be accompanied by a parent . No flashlights allowed. For more information, call 427-5116 and talk to the Blair Witch. The 6-7 o'clock hikes are for younger children, and then they get really **sCarY**. The last hike will be at 8:30. The event is sponsored by
