

Got Drugs?

Take-Back Initiative

Turn in your unused or expired medications for safe disposal.

Saturday, September 24, 2011

Jaycees' Building
2180 Airport Road
Huntsville, AL 35802
9 am – 12 noon

First Baptist Church
175 Monroe Road
Meridianville, AL
9am – 12 noon

Madison Police Dept.
100 Hughes Road
Madison, AL 35758
9 am – 12 noon

A Community Collaborative Effort

The Partnership for a Drug-Free Community, the City of Huntsville, Huntsville Police, Madison Police, Madison County Sheriff's Department, Operation Green Team, the Solid Waste Disposal Authority (SWDA) and Covanta Huntsville invite you to safely dispose of any expired or unwanted medications.

Nationally, teenage prescription drug abuse is rapidly increasing, and your family **medicine cabinet could become a teenager's best supplier.**

Help protect the environment. Collection programs greatly reduce the chance of **medicines entering our water supply!**

This program is **completely confidential.** No personal information will be collected. Please remove or black out all labels before arriving.

Drop off your medications as designated above. Place unwanted medications directly in disposal box. Volunteers and law enforcement officers will be present to ensure safe and legal collection. Medications will be disposed of by the SWDA and Covanta Huntsville.

**For more information contact Partnership for a Drug-Free Community.
256-539-7339 or partner@hiwaay.net**
