The Solid Waste Disposal Authority of the City of Huntsville

We will be collecting computers (CPUs, laptops, mainframes and peripherals), monitors, telephones, cell phones, telephone systems, fax machines, printers, copiers, rechargeable batteries, stereo equipment, electronic games, PDAs, electronic circuit boards and components as well as thermometers, thermostats, mercury batteries, mercury switches and other mercury containing items. Fluorescent light bulbs will not be accepted at this event, please bring them to the Household Hazardous Waste Collection held on the 1st Saturday of the month.

Televisions will be accepted for a \$10 fee.

Covanta Energy is offering \$10 gift cards for the mercury thermostats (limited to the first 50 people bringing mercury thermostats) and \$5 gift cards for mercury thermometers. A \$50 gift card will be given to the first person bringing a mercury thermostat and mercury thermometer

If you have more than 10 items, please contact SWDA at 880-6054.

Our community is partnering with Creative Recycling Systems from Nashville. Creative Recycling Systems' data sanitization methods exceed U.S. Dept. of Defense specifications for security and electronics disposal.
