If filled out completely, this form will provide enough information for the City of Huntsville's Water Pollution Control Department to issue a credit to your Huntsville Utilities account. The credit will be posted after your next meter reading is posted. Due to automated billing, it is not possible to get a credit on the month containing the extra charges for filling your pool. It will be on next month's bill.

If you have any questions, please call 883-3719 between the hours of 7 a.m. and 5 p.m.
Thank you!
